- Utilities
- Food
- Mental Health
- Employment & Income
- Clothing & Household
- Gov't & Legal

Mr. Burke stated by dialing 211 residents will be connected to a navigator who can connect them to the proper resources based on their needs. Prior to the implementation of 211, residents would have to make 7-8 calls to get what they needed. Mr. Burke provided the statistics regarding services provided in Lake County from July 2020 to June 2021. Trustee Frierson thanked Mr. Burke for providing the services. He asked him to speak to why "unmet needs" was the highest category. Mr. Burke stated it may be due to an individual not being eligible for services. He stated it is important that the services are updated in the directory regularly. Additionally, they need to know the specific areas of interest. The hope is as time goes on the "unmet needs" will go down. Chairman Neal stated they have been a huge supporter of 211 from the beginning. Zion residents are starting learn 211 is available for assistance. Trustee Frierson has how an organization can get listed. Mr. Burke stated the organization can apply by visiting the Lake County 211 website and completing an application.

Trustee Frierson noted that he spoke with the Business Manager regarding the fund balance being off due to an early check run. It will be corrected next month. Chairman Neal stated the budget for Disaster Relief was set at \$10,000. Currently it is at \$9,827. They will be approximately 10% over budget. The funds have been used for COVID hardships for those that cannot get other assistance. The City is currently in the middle of 2 of 3 water bill cycles. In looking at this, there are two options: 1) There are no more funds available and water will be shut off to residents and after 72 hours if the bill is not paid, they will be evicted 2) She spoke with the Auditor and if they choose they can get amend the amount and do a line item transfer. They did not do a fall magazine this year, so they can take it out of the Publishing Budget. Trustee Frierson asked Chairman Neal if she wanted to transfer the entire amount. Chairman Neal stated they would wait until the water bills go through. She stated that was the reason they decided to extend the FERA grant so they could help as many people as possible. Trustee Frierson stated he was in support of the transfer of funds which was the consensus of the Trustees.

The vote on roll call was: Trustees McDowell, aye; Frierson, aye; Fischer, aye; Holmes, aye and Chairman Neal, aye. Motion carried.

ADDING JUNETEENTH AS AN OBSERVED HOLIDAY

Chairman Neal stated Juneteenth has been added to the Federal calendar. She is proposing that the Township add the date to their calendar as an observed holiday.

It was moved by Trustee Fischer, seconded by Trustee McDowell to add Juneteenth to the Township calendar as an observed holiday. The vote on roll call was: Trustees McDowell, aye; Frierson, aye; Fischer, aye; Holmes, aye and Chairman Neal, aye. Motion carried.

LEVY /2021 TAX YEAR

Chairman Neal stated the past few years they have been working to spend down the beginning surplus balance. IL passed a law that prohibits townships from having more than 2.5 times the annual average expenditures in reserves of the previous three fiscal years. In the past she was led to believe that it could not be any more than a 2 year surplus. This caused numerous lawsuits against Townships to return funds. She presented a proposed levy with recommendations to bring down a few things and also increase others. Trustee McDowell stated he would like to see what the figures would look like with a flat levy for comparison. Trustee Frierson stated based on the previous two years revenue came in above and they should go back and look over the numbers and adjust the levy. Chairman Neal stated they could possibly lower the levy a little bit. She will go back through the numbers to find a happy medium. She will show the numbers for a flat levy. She stated if they choose a flat levy the Board must recognize that they have been budgeting in the red for the last few years but will no longer have that cushion. Trustee Fischer stated they must keep in mind the domino effect of PTELL law. It may end of costing the Township in the long run as they will not have enough money to operate.

ASSESSOR'S REPORT

Assessor Davis provided the following information:

BOARD SPECIFIC ISSUES

- ➤ Submitting 2022-23 Levy for approval.

- The office will be closed the following days for holidays and staff retreat: 12/23-24, 12/30-31/21, 1/17 and 1/19/22
- ➤ ALL financial assistance has been suspended through January 10, 2022.
- > This year the Zion Township Team has assisted Zion residents in accessing over \$720,000 through our in-house programs, Mothers Trust Foundation, Salvation Army and the Federal Emergency Rental Programs.
