

Thank you from Zion Township

With Thanksgiving in the rear view mirror of 2012, Zion Township wants to give a heart-felt thank you to Christian Assembly of God, specifically Connie Ecklund for coordinating the purchase of the food boxes.

Also, Christian Trinity Center volunteers, coordinated by Rich Schimenti, as well as Zion-Benton Township High

School students, supervised by staff members Sue Swanson, Jennifer Marhefka and Crystal Villalobos in delivering 170 Thanksgiving food boxes to Zion seniors.

One senior wrote in a thank you note: "Thank you so much for the great food you had delivered to me for Thanksgiving. The Jennie-O turkey was so lovely! Am baking the cake as I write!

As wonderful as the food was, were the couple who delivered it to me. I believe they said their name was Mr. and Mrs. Moore from Trinity Assembly Church.

They were a blessing to me and my lady friend who was visiting that evening. I am homebound on disability and don't see many folks ~ so they were a special blessing! Please let them know! Thanks again for the groceries!"
