

## LETTER TO THE EDITOR

### Voters elected Neal not McLemore

Attention Clyde (McLemore): Stop being a sore loser. You did not win the election because Zion residents did not want you.

Cheri (Neal) has been an excellent Township Supervisor and helps ALL people, ex-cons included. Instead of attacking Cheri, why don't you work on getting ex-cons jobs and job training so they can be fully integrated into society as productive citizens?

Why don't you work with the black youth of Zion and teach them not to steal but to study, learn a trade and teach them how to stay out of jail by giving them your testimony and how you got into trouble.

The citizens of Zion, especially we seniors, love Cheri and think she's doing a great job and has a very transparent administration.

So stop harassing Cheri and try to work WITH her on keeping black kids out of trouble. Remember Cheri brought the Boys & Girls Club to Zion and hires youth for summer work, etc.

What are you doing to help our community?
